# About US

- ▶ Founded by a team of experienced professionals with a solid base in IT and Management.
- ▶ Aptivacorp today is a company that has set itself on the fast track, offering advanced solutions in the realms of information technology and consultation, to a host of clients belonging to industry verticals as diverse as telecommunications, finance, insurance and healthcare, besides a number of federal, state and local government agencies across crucial markets.
- ▶ Headquartered in North Brunswick, New Jersey, Aptivacorp has always prided itself on being a totally employee-centric company whose clientele includes a fine mix of both small as well as midsize enterprises and Fortune 1000 companies.
- ▶ The in-house team of vastly experienced professionals has been instrumental in fueling our growth and rising reputation as a reliable and trusted partner of choice by our clientele.
